

Winter 2015 Start Up Meeting Notes

Wednesday January 7, 2015 @ 7:30 pm

1. Joe Willis was nominated for secretary of the Board of Officers and was elected as the new secretary of the Glad Board without opposition.
2. Motion to add the end of season awards presentation in the bylaws to be effective this season. Everyone favored last season awards presentations and this will be the format that will be followed for future awards presentations. Due to the low cost of the new awards presentations there is now extra money. Ideas were suggested to give the extra money to charities, add to the awards money or every 5 years hold a big awards banquet similar to the 25 year anniversary banquet. It was voted 36 to 8 that the extra money would go towards holding an awards banquet presentation every 5 years starting in the 30th year.
